## 一句戲言 一個夢想

出生時家住新馬路，對面便是當時全澳最高的「新中央酒店」。懂事以來，每天都望著這光芒四射的巨人，對窮小子的我來說很近、亦很遠。每天放學都會好奇地偷偷走進去轉一轉，有一天像小貓般被提出來丟在路邊，不懂性的我又著腰指著這巨人說：『將來我有能力，把你買下來』。

窮小子終於長大，眼見巨人日漸老去，光芒不再，心中滿是唏噓，立志要讓這伴隨成長的巨人重獲新生。天助有心人，戲言終成事實。經歷7年談判，終於2016年以高價收購成功。經過3年嚴格審批。2020年初，在嚴峻新冠疫情下動工。2023年底，艱鉅的世紀工程完滿完成。巨人再次矗立，抹去塵封，再次綻放光芒，重新肩負起照亮舊城區歷史重任，為澳門成為「世界旅遊休閒中心」貢獻最大力量。這是我們的任務，亦是我的驕傲。

## From Childhood Fantasies to Manifested Destiny

Born in a humble house on Avenida de Almeida Ribeiro, I grew up gazing at the majestic “Hotel Central” across the street. Despite feeling both near and far from it, I harbored a childhood dream to someday own it. As a mischievous child, I sneaked into the hotel, only to be swiftly thrown out. Undeterred, I pointed at the towering building and declared, “One day, I’ll buy you when I have money.” Years passed, and as the grand building aged, my heart filled with nostalgia. I was determined to breathe new life into this companion of my youth. With divine intervention, my dream became a reality.

After 7 years of negotiations, I acquired the hotel in 2016. Following 3 years of approvals, construction began in 2020, and by the end of 2023, the century-old project was completed. The giant stands tall, illuminating the old town and playing a vital role in making Macau the “World Centre of Tourism and Leisure”. It’s our mission and my pride.

新中央酒店屹立於澳門歷史悠久的文化遺產建築群中，具有極高的歷史價值。在澳門文化局的監督下，展開了一項宏大的修復重建工程，旨在「延續百年歷史文脈，重塑酒店傳奇形象」。工程團隊憑藉巧奪天工的技術從地基開始修復和加固工程，使用自主研發的靜態鑽樁工法，在原本沒有樁基礎的地基上打下129支樁，並重新建造新基礎，以增強整體荷載能力。酒店外觀和頂部的「新中央」廣告牌經過歲月的洗禮後依然原貌猶存，成為澳門歷史城區矚目耀眼的地標象徵。

為了生動呈現新中央酒店豐富且傳奇的歷史底蘊，設計師們深入挖掘原始建築的精髓，從窗櫺花紋、瓷磚裝飾到天花板和牆面的藝術佈局，巧妙融合澳門各個時代的文物建築特色。當您跨過大門，踩著古樸的大堂地磚，看著牆壁上的泛黃舊照，彷彿穿越時空，與歷史交融。接待處前台的設計靈感來自昔日的「番攤」遊戲桌台，既致敬博彩業的過去，也講述了新中央酒店與澳門獨特歷史的故事。

為綿延百年歷史血脈，新中央酒店特設地面層的「百年歷史穿越廊」，向訪客講述新馬路和新中央酒店的歷史變遷。漫步其間，傾聽那些塵封往事，觸摸老澳門繁華歲月的痕跡，感受時代風雲變幻中的永恆魅力。此外，位於11樓的「歷史城區觀光走廊」不僅提供了澳門歷史城區全景的絕佳視角，更是充滿故事與情感的開放式博物館。遊走於長廊之上，澳門的城市天際線、世界文化遺產區的壯觀景象盡收眼底，彷彿翻閱著一本立體的歷史教科書。

## 承傳過去 邁向未來

Embracing the Past, Forging the Future

Hotel Central stands tall among Macau's historic cultural heritage buildings, with significant historical value. Under the supervision of the Macao Cultural Affairs Bureau, a grand restoration and reconstruction project was undertaken with the aim of "Continuing the centuries-old heritage, Reviving the hotel's legendary status". The team employed ingenious techniques to begin the reinforcement work from the foundation, using a self-developed static drilling pile method to install 129 piles in the ground, where there were no existing pile foundations, and reconstructed new foundation to enhance the overall load capacity. The hotel's exterior and the iconic "New Central" billboard on top have withstood the test of time, making them prominent landmarks in Macau's historic city area.

To vividly showcase the rich and legendary historical heritage of Hotel Central, the designers delved deep into the essence of the original architecture, integrating decorative elements such as window patterns, ceramic tile embellishments, ceiling and walls coverings, ingeniously blending the architectural features of various historical periods in Macau. As you step through the entrance, walking on the rustic floor tiles and observing the yellowed old photos on walls, you feel as if you have traveled through time and merged with history. The design inspiration for the reception desk is derived from the traditional "fan tan" gaming tables, paying homage to the past of the gaming industry and narrating the unique history of the Hotel Central and Macau.

To preserve the century-old historical lineage, the hotel features a Historical Cultural Corridor on the ground floor, showcases the rich historical lineage of Avenida Almeida Ribeiro and Hotel Central. Visitors can immerse themselves in the tales of the past, feel the vibrant atmosphere of old Macau, and experience the timeless charm amidst the changing tides of time. The 11th-floor Historical Sightseeing Promenade offers a panoramic view of The Historic Centre of Macau, resembling an open-air museum filled with captivating stories and emotions. Walking along this corridor allows you to appreciate the city skyline and the magnificent sights, like exploring a fascinating three-dimensional history textbook.

## 房間主題

Guestroom Themes

酒店五樓至六樓的主題，風格定位在百年前新中央酒店早期階段，在裝飾理念上，強調的是舒適輕鬆的基調，沒有過多複雜的裝飾手法，一切都是點到為止，達至功能與美學恰到融合。精心提取具有年代感的木飾面及低飽和度灰綠色肌理漆作為空間主基調，透露出濃濃的復古情調。

The theme of 5th to 6th floors is inspired by the early stages of the Hotel Central a century ago. The design concept emphasizes a comfortable and relaxed ambiance, avoiding excessive ornamental techniques. Everything is kept tastefully minimal, achieving a perfect integration of functionality and aesthetics. Carefully selected vintage-inspired wood veneers and low-saturation gray-green textured paint form the primary color scheme, exuding a rich sense of nostalgia.

# 1930年代主題 S Theme

## 房間主題

Guestroom Themes

酒店七樓至八樓的主題，務求重現百年之前澳門的歷史印記，採用舊報紙舊畫報作裝飾，體現澳門的歷史人文底蘊。西洋文化融入嶺南的窗花形式，呈現當時澳門建築特徵。衛生間裡跳色的瓷磚，與睡眠區的懷舊元素相互映照，營造古今對話的微妙氛圍，演繹一場跨越世紀的邂逅。

The theme for 7th and 8th floors aims to recreate the historical imprint of Macau from a century ago. Decorative elements include vintage newspapers and magazines, reflecting the historical and humanistic essence of Macau. The fusion of Western and Lingnan-style window decorations captures Macau's architectural essence. Vibrant colored tiles in the bathrooms complement the nostalgic elements in the sleeping areas, creating a timeless atmosphere. This design concept embodies a century-spanning encounter, evoking a sense of charm and history.

A long, narrow hallway with a patterned tile floor, wooden walls, and vintage-style lighting fixtures. The hallway is illuminated by warm, golden light from pendant lamps and wall sconces. The walls are made of dark wood with decorative paneling. The floor is covered in a repeating geometric pattern. The hallway leads to a bright light at the end, creating a sense of depth and perspective.

# 1940年代主題 S Theme

酒店九至十樓的主題，藉構築一座歷史與今日新中央酒店交融的橋樑。過去的憶記經過提煉後用現代手法重新演繹，昔日革新者心中的薄荷青重現於客房，輔以黑與白、烏金與古銅作點綴。透過空間意象喚醒沉睡往事，用老照片牆敘說流轉的時光，奏出獨屬於新中央酒店的時代韻聲。

The theme for the ninth and tenth floors serves as a bridge between the historical and the modern Hotel Central. Memories from the past are refined and reinterpreted using contemporary techniques. The mint green, reminiscent of the innovators of yesteryear, is revived in guestrooms, complemented by accents of black, white, deep gold, and ancient bronze. Through spatial imagery, dormant memories are awakened, and the passage of time is narrated through a wall adorned with vintage photographs, harmonizing with the era unique to the Hotel Central.
